Ref:- G.O. Ms. No. 2621, Development, dated 21.5.1948.

Copies of the questionnaire for the inspection of all offices in charge of gazetted officers (approved in the G.O. cited) was communicated to all Deputy Directors of Agriculture and Heads of Research Sections on 22nd April 1948 and copies of the questionnaire for Loans were communicated to Deputy Directors of Agriculture on 9th June 1948.

2. Particulars of inspections made during the half years ending 31st December, 1947 and 30th June 1948 are noted in the Appendix.

3. The Deputy Directors of Agriculture, Vellore Tanjore, Ellore and Guntur have not inspected all the offices in their respective jurisdictions. I am directing them to take up inspections and complete them before the half year ending 30th December 1948.

4. The Headquarters Deputy Director of Agriculture (South) Sri. M. Anandan, before his relief on the 5th June 1948, inspected only the offices of six District Agricultural Officers and four Agricultural Research stations but did not take up the offices of the Deputy Directors of Agriculture, Coimbatore, Vellore and Ootacamund and some of the Experts' offices at Coimbatore. The Headquarters Deputy Director of Agriculture (North) Sri. M. Kanti Raj, could not inspect the offices of the Deputy Directors of Agriculture in the northern districts. I am asking the two Headquarters Deputy Directors of Agriculture to complete the inspection of the offices of the Deputy Directors of Agriculture and experts in the half year ending 31st December 1948.

5. My predecessor Mr. Sivaraman could not also inspect the offices of the two Principals during the half year owing to other pre-occupations. I shall take them up in this half year.

6. It is seen from the reviews submitted by the Deputy Directors of Agriculture for the half year under report that the prescribed registers and records are being maintained that in some cases entries are not made then and there and that instructions were issued to maintain the registers in accordance with the instructions contained in the District Office Manual. Wherever inspecting officers notice defects, instructions are issued by them for rectification of the same.

7. I am issuing instructions to all Deputy Directors of Agriculture to bestow more attention to the important matter of inspection of offices to maintain efficiency and eliminate delays. A copy of my circular No. D.Dis. K. 307/Pdl.48 dated 12th September 1948 is enclosed for the information of Government.
